PROFILE

As a cross-platform web application developer and enthusiastic student of Social Management Informatics, I am particularly interested in creative software initiatives that can make everyday life easier. I love testing new technologies to design intuitive and user-friendly software solutions that exceed expectations, with a strong focus on delivering high quality user-centric applications.

EXPERIENCE

AUG 2019 / DIC 2021

Maturín edo. Monagas

FREELANCE WORK | Design & Animation

Tasks performed:
- Design and animate slides for presentation at student exhibitions in PowerPoint.
